**Venue and Logistics**

**Hotel**
Premier Inn
Edinburgh Central
82 Lauriston Place, Edinburgh, EH3 9DG, United Kingdom
Tel: 0870 990 6610

**Transportation options from Edinburgh airport**

**By bus**
The Airlink 100 express and N22 night buses reach Waverley Bridge in about 25 minutes, depending on traffic. The Lothian Buses No 35 also runs to Waverley but calls at local destinations en route, and continues to Leith.

**By taxi**
Private taxis and city black cabs call at ranks outside the airport terminal. Taxis can be booked in advance or picked up at the rank.

**By car**
The airport is about eight miles (12km) west of the city centre and the journey (via the A8 Glasgow Road) takes about 25 minutes in light traffic. A number of car hire companies operate from the airport.

More detailed info can be found at [http://www.edinburghairport.com](http://www.edinburghairport.com)

**Directions to hotel** (the airport is 7 miles away):
From A8, turn right onto A702 Lothian Road. Turn left into Lauriston Place. The hotel is situated on the left at the junction with Lauriston Street. Discounted Car parking is available at Riego Street, £15 per 24hrs (price stated is before the guest discount). For more information please contact the hotel.

**Venue for SSC meeting on 5/8-9** (walking distance from hotel)
Old Library at High School Yards, Infirmary Street, Edinburgh EH8 9XP

**AIMES OSC Conference**
Earth System Science 2010 will be held at the Edinburgh International Conference Centre (EICC) in Edinburgh, UK. This is where all of the conference talks, breakout groups and poster sessions will take place. The welcome reception drinks reception on Monday night will also take place in the EICC.

Conference website: [http://quest.bris.ac.uk/workshops/AIMES-OSC/index.html](http://quest.bris.ac.uk/workshops/AIMES-OSC/index.html)

The EICC is situated in the centre of Edinburgh city and is accessible by both car and public transport. Details about the venue and how to get to it are available below and on the EICC website: [http://www.eicc.co.uk](http://www.eicc.co.uk)

The conference dinner on Tuesday 11th May will take place at Dynamic Earth, a unique exhibition centre showing the history of planet Earth. Details about the venue can be found on their website: [http://www.dynamicearth.co.uk/home](http://www.dynamicearth.co.uk/home)

**Miscellaneous:** Guests should bring adaptors with them as the hotel only has a very limited supply. Outlets are powered through a 3-pin plug.
